

FORCE4®

MEET THE NEW FORCE IN CONCRETE CUTTING

From the company that revolutionized concrete chain saws comes a revolution in diamond chains: FORCE4®. Designed to be used only with the FORCE4® system, it is the strongest, longest lasting diamond chain ever made. Available in four configurations to meet most concrete cutting challenges.

Compare the size of FORCE4® against standard chain (both chains shown actual size)

FORCE4® has been proven to have 1.5 times the tensile strength of standard chains.

FORCE4® DIAMOND CHAIN REQUIRES UNIQUE FORCE4 COMPONENTS

FORCE4® DRIVE SPROCKET

Upgraded guide ring design distributes load for greater durability

Tool steel alloy guarantees exceptional strength, life, and abrasion resistance

FORCE4® GUIDE BAR

Laser-cut internal water channels keep the nose sprocket lubricated

Available in 10-, 15-, 20-, and 25-inch cutting depths

Deep groove stabilizes FORCE4®'s chassis for straighter, cleaner cuts
