## MOTOR AND BITS

Easy lever handle, Forward/reverse auger operation.

Powerful hydraulic motor.

### Standard

225 ft. lbs. digging torque.

### Torque

311 ft. lbs. digging torque.

Bi-directional fluid valve with pressure relief.

2" to 18" auger bit capacity, variety of drive sizes.

Adapters allow use of existing auger stock, eliminating the need to replace bits you already own!

## HANDLE, TELESCOPES AND SWIVELS

Telescoping arm swivels 180°, locks down at virtually any digging angle.

Handle telescopes in for easy towing.

## COGGINS FENCE & SUPPLY INC.

*"Our new **DIRT DAWG** works like a charm, we can take it almost anywhere. The best thing about the **DIRT DAWG** is it only takes one man to operate. This machine is the best gas-powered auger we have ever used.*

*This Dawg hunts, and you can take that to the bank!"*

*L. Joe Cox President*

## RETRACTABLE AXLE ASSEMBLY

Axles extend to 44" for digging and towing stability, and retract to 35 1/2" for easy access through standard gates & walkways.

18" heavy duty highway rated tires.

## DIRTDAWG TORQUE

Designed for power digging in hard rocky soils.

9 GPM • 311 ft. lbs. torque • 83 RPM

## FLUID RESERVOIR

Heavy gauge steel fluid reservoir. Weight balanced, maximum control and maneuverability.

Easy access fluid maintenance, quick fill breather cap, filter & drain plug.

Oil sight glass to monitor fluid levels

## ENGINE SWIVEL CRADLE

Structurally designed for decreased vibration.

Virtually eliminated "Pinch Points".

9 HP OHV, oil alert gas engine, with hassle free oil drain hose.

## HITCH

Integrated tow package, convenient transportation.

Heavy duty locking steel hitch for standard 2" ball.

## DIRTDAWG STANDARD

Designed for speed digging in normal or sandy soils.

7 GPM • 225 ft. lbs. torque • 127 RPM

RICE Hydro is proud to offer superior products for the Contractor, Rental and Agricultural Industries. The **DIRT DAWG** is available in a **Standard, Self-Propelled or Torque** model. Simple one-man operation, coupled with the power of the torque-free hydraulic system and neutralized weight balance, make the **DIRT DAWG** an awesome digging machine. Easy to maneuver from hole to hole, the **DIRT DAWG** is excellent for digging in tight spaces, alongside stationary objects such as walls and fences. At RICE Hydro, we know that buying a piece of equipment is serious business. The precision engineering of the **DIRT DAWG** ensures you get your moneys worth. A few of the features that make this **DAWG** a champion follow:

- Swiveling handle assembly for steady, accurate drilling on hillsand slopes
- Quick disconnect pins enable the operator to make adjustments and change auger bits in just seconds
- Bearing Buddies for reduced maintenance
- Oil Sight Glass on tank reservoir
- Integrated tow package on all models
- Sturdy, belt drive system on **Self-Propelled** model
- 3 year **full product** warranty

For over 28 years RICE Hydro has supplied people like you with **rugged, durable, dependable** contractor equipment and top notch customer service. If digging by hand hour after grueling hour isn't your idea of fun, we CAN help!

# AUGER TEETH & SCREW BITS

## AUGER TEETH & SCREW BITS

RICE Hydro stocks a variety of auger teeth, pilot and screw bits, to meet all your digging needs. Based on the nature of your soil conditions, soft, rocky,

or frozen, teeth and bits are available in steel, hardfaced, carbide tip, and chisel point. Please call the factory for a complete list of auger teeth and accessories.

## BITS

Auger bits are available in diameters from 2" to 18", and in lengths of 36" and 42". Standard Steel teeth and/or pilot screw bits designed for ordinary digging, come standard with the auger bit. Optional teeth and pilot screw bits

for more efficient digging in hard, rocky, or frozen terrain are available. Auger bits listed are in stock items. Auger bits of various sizes and connections are available. Please contact the factory for details.

### PILOT SCREW BITS

Item Number	Description	Cost
Auger-PB-SB-25	2 1/2" Standard Steel	\$14.00
Auger-PB-SB-25C	2 1/2" Carbide-Tipped	\$28.00
Auger-PB-SB-25CXC	2 1/2" Carbide-Standard	\$60.00
Auger-PB-SB-25HFTC	2 1/2" Hardfaced Carbide	\$65.00
Auger-PB-SB-45HFTC	4 1/2" Hardfaced Carbide	\$85.00

### TEETH

Item Number	Description	Cost
Auger-Tooth-1336	Dirt Tooth, Inserted Carbide Flat End	\$14.00
Auger-Tooth-35	Standard Steel Dirt Tooth Flat End	\$2.40
Auger-Tooth-5T30-C	Chisel Tooth, Surface Carbide Chisel End	\$8.25
Auger-Tooth-HF-35	Dirt Tooth, Hard Faced 1 Side, Flat End	\$4.00
Auger-Tooth-HFF-35	Dirt Tooth, Hard Faced 2 Side, Flat End	\$4.00
Auger-Tooth-RB-36	Carbide Tooth, Solid Carbide Ridge Breaker	\$22.00

### AUGER BITS 36" LENGTH

Item Number	Diameter	Tooth Qty	Pilot Bit	Cost
Auger-6-CS-36	6"	1	2 1/2"	\$165.00
Auger-8-CS-36	8"	2	2 1/2"	\$185.00
Auger-10-CS-36	10"	2	2 1/2"	\$200.00
Auger-12-CS-36	12"	2	2 1/2"	\$195.00

### AUGER BITS 42" LENGTH

Item Number	Diameter	Tooth Qty	Pilot Bit	Cost
Auger-6-CS-42	6"	1	2 1/2"	\$170.00
Auger-8-CS-42	8"	2	2 1/2"	\$190.00
Auger-10-CS-42	10"	2	2 1/2"	\$210.00
Auger-12-CS-42	12"	2	2 1/2"	\$205.00

## EXTENSIONS & ADAPTERS

Adapters are available in a variety of sizes and connections. An adapter is included with every DIRT DAWG purchase, and can be ordered to supplement your existing auger stock. RICE Hydro offers a variety of auger bit extensions up to 36" in length, for increased digging depth. Special order options are available, please contact the factory for details.

### ADAPTERS

Item Number	Cost
Adapter - 7/8" -STD	\$100.00
Adapter - 1 & 1/4" -LB	\$120.00
Adapter - 1 & 1/4" -STIHL	\$120.00
Adapter - 1 & 3/8" HEX	\$120.00

### EXTENSIONS

Item Number	Cost
Auger-Ext-7/8 X 6"	\$60.00
Auger-Ext-7/8 X 12"	\$65.00
Auger-Ext-7/8 X 24"	\$75.00
Auger-Ext-7/8 X 36"	\$80.00

## POST HOLE DIGGERS

### DIRTDAWG - 9HON & 9HON-T

LIST	\$3,200.00
1-3 Units	\$2,500.00
4+ Units	\$2,300.00

### DIRTDAWG - 9B & S - 9B & S-T

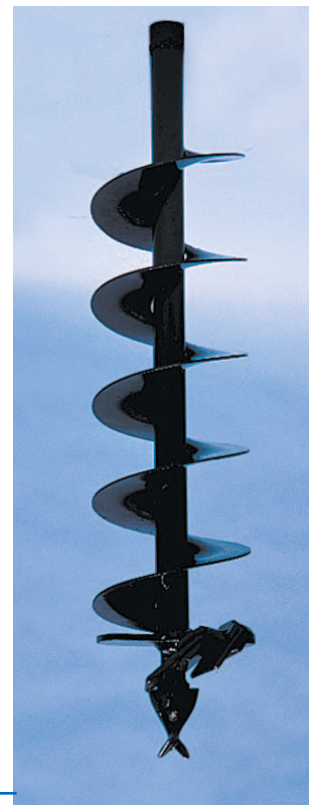

LIST	\$3,400.00
1-3 Units	\$2,450.00
